The Officer-in-Charge (All WAN connected Sub-offices)

**CIRCULAR NO - 91**

**Sub: Utilizing Software repository in DAD WAN – reg.**

It has been observed that various sub-offices experience difficulties in accessing portals like NIC mail, SBI CMP, P&C, eRaksha and other WAN based portals. The issue, many a times, is attributable to outdated version of browser and other software utilities.

In this regard, it is informed that the latest updates of browsers/software utilities as listed below are already available on the HQrs Software Repository hosted on WAN IP address 10.51.174.197.

The following applications/software are available for download and installation:

1. MS Office and Libre Office
2. Chrome (Windows)
3. Firefox (Both Windows/Linux)
4. NOC SOC Agent
5. Printer Drivers
6. Operating System (Both Windows/Linux)

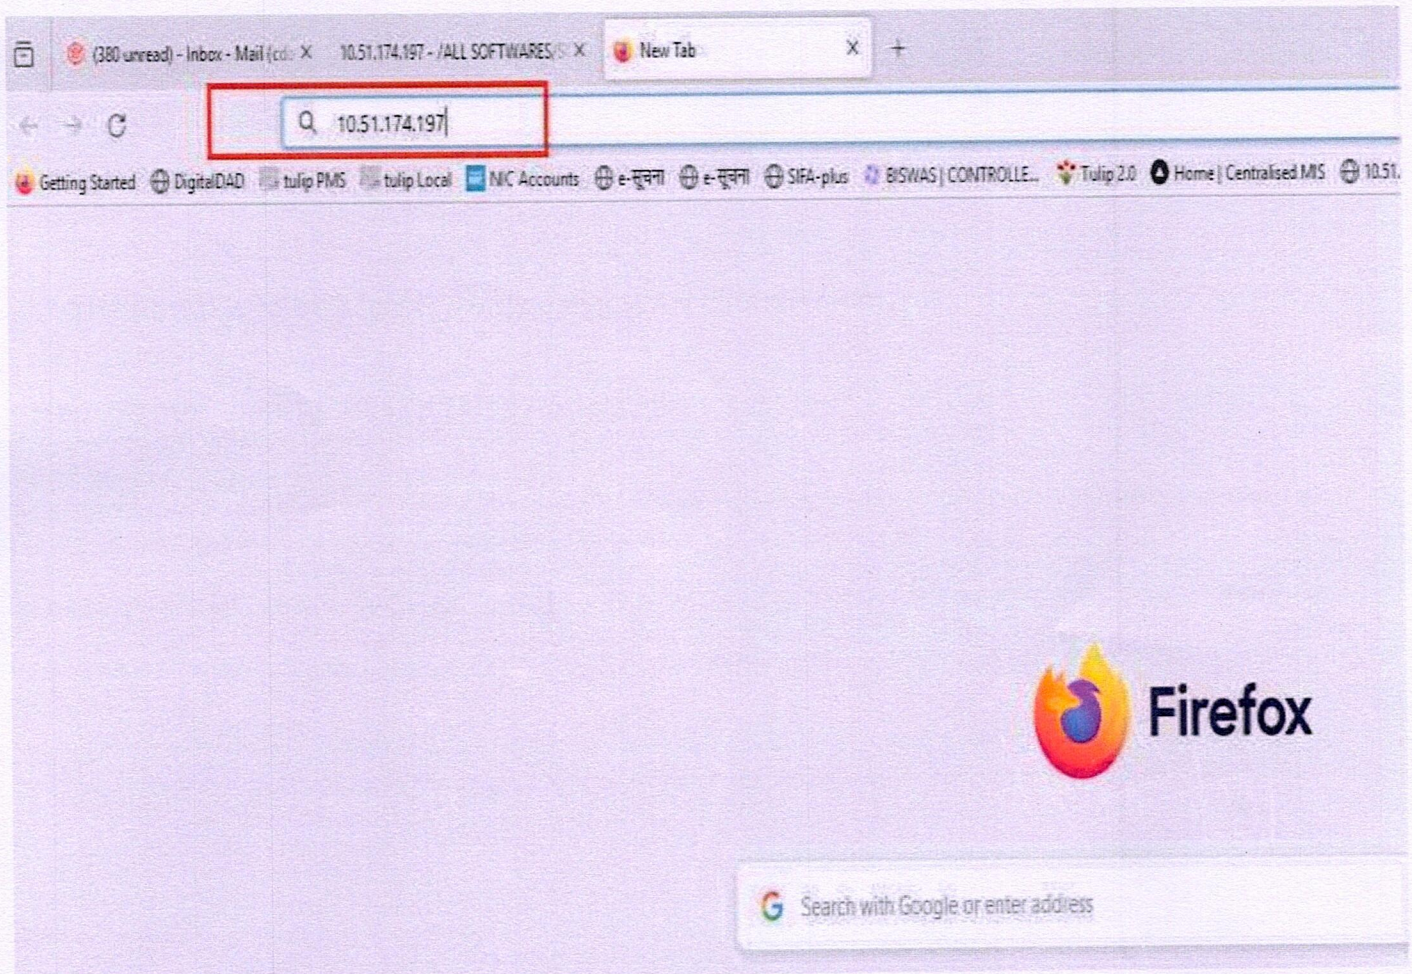

In view of the above, sub-offices are advised to access the HQrs Software Repository and update the requisite browsers/software utilities, as applicable, to ensure seamless access to official portals. The Standard Operating Procedure (SOP) enclosed herewith shall be followed for accessing the repository and downloading the required updates.
