Sub :- Issue of Administrative Approval for works sanctioned under Para 35 of DWP-2007.

-----XXX-----

In this context, it is stated that some instances came to notice wherein works were commenced under Para 35 of DWP-2007, but, time limit specified in the Para 37 of DWP-2007 for obtaining the Administrative approval was not strictly adhered to by the MES formations.

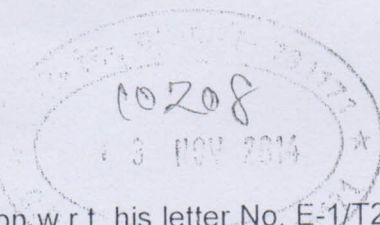

2. Accordingly, the matter was taken up with E-in-C's Branch with the request to examine the matter and issue necessary instructions to their lower formations to adhere the time limit specified in Para 37 of DWP-2007 for obtaining the Admin approval for works sanction under Go Ahead Sanctions.

3. E-in-C's Branch under their letter No. A/37696/Gen/Pol/E2W(PPC) dated 22nd Sep 2014 has issued instructions to Service Headquarters and their lower formation on the subject, a copy of which is enclosed herewith for your information, guidance and necessary action please.

**WITHHOLDING OF PAYMENT AGAINST
CONTRACTS SANCTIONED UNDER PARA 35 OF DWP 2007**

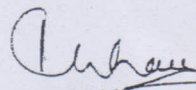

1. Reference CGDA Delhi UO No 18020/AT-X/XXXIII (PC) dated 19 Mar 14 (copy enclosed).
2. On analysis of the data relating to works and issue of covering Administrative Approvals (AAs) under Para 35 of DWP 2007, it is found that certain AAs have taken more than the stipulated time frame of six months. The same has been observed by the audit and stopped further payments to contactors.
3. Further, a case has been taken up by this office with appropriate authority to enhance the time limit of six months as given in Para 37 of DWP 2007 to 12 months. This case is under process and the amendment will take some time to fructify.

4. Notwithstanding above, it is necessary that adequate efforts are undertaken to ensure that the AAs are issued within the stipulated time frame to avoid contractual disputes / litigations.

5. In view of the above, you are requested to instruct all concerned to ensure timely issue of AAs and undertake onetime measure of getting the pending AAs issued in consultation with the respective CFAs at the earliest.

6. It may be appreciated that once a contract has been entered into and work is done, payments to contractors have to be effected for work done. Failure to do so by executives will render them to arbitration process and recoveries from Government with due interest levied / accorded on delayed payments. This is an unacceptable situation, audit authorities are also required to keep this in view while issuing instructions on the subject.
